MH-CET Revision Test Series 2020-21

(Lets Revise Again as There is No Shortcut for Success... So Keep Doing)

DATE	Physics
PT-01 12-05-2021	Measurement, Mathematical Method, Laws of Motion, Mechanical properties of Solid (Friction) / Mechanical Properties of Liquid (Surface Tension)
PT-02 15-05-2021	Electrostatics, Current Electricity, Magnetic Effect of Electric Current, Magnetic Material
PT-03 18-05-2021	Gravitation, Rotational Dynamics & Mechanical properties of solid (Elasticity)
PT-04 21-05-2021	Oscillations, Superposition of Waves
PT-05 24-05-2021	Mechanical properties of liquid (Surface Tension, Viscosity & Fluid Mech), KTG, Radiations, Thermodynamics
PT-06 27-05-2021	Wave Optics, EMI, AC
PT-07 31-05-2021	Ray Optics, Refraction Of Light, MEEC, Magnetic Material, Electrostatics & Current Electricity
PT-08 03-06-2021	Dual Nature of Matter & Radiation, Structure of Atoms & Nuclei/ Semiconductor Devices

**Further Schedule For Chemistry and Maths Will be Given Afterwards.
Exam Will Start From 5 to 6 pm. Followed By Paper Discussion At 6:15 pm.
15 Minutes Gap is Given to Take Out Doubts and Difficulties.**
